### Registration

You can register by post, fax or e-mail. On receipt of your registration, we will send you a letter of confirmation. To achieve the best possible learning success, the number of participants at the pre-workshops is limited. Registrations will be accepted in the order that we receive them.

### Changes/Cancellation of the event

We hereby reserve the right to cancel the event or parts thereof in case of an insufficient number of participants, absence of a speaker or of force majeure. In these cases, we will refund the participation fee. Further claims will not be accepted. We also reserve the right to change lecturers and/or make changes to the programme.

### Cancellation

Cancellation of your booking can be made free of charge up to three weeks before the start of the event. Thereafter, we will charge you 100 % of the participation fee. You may appoint a replacement participant up to the start of the event.

### Copyright

The documents handed out in the pre-workshops are protected by copyright and may not be reproduced in whole or in parts.

### Data protection

ProCom GmbH will collect and process your address data for its own marketing purposes only. We intend to make a part of this data available to all participants. Please remark that photographs taken in the course of this event may be published by ProCom. You may object to this arrangements if you wish to. In this case, please inform us before the event via: [energymarket-conference@procom.de](mailto:energymarket-conference@procom.de).
