# INTERNATIONAL CONFERENCE

## Economic Transformations and Business Prospects

Vilnius University, Faculty of Economics is proudly inviting you to an international conference titled “Economic Transformations and Business Prospects”. The conference is organized together with Wroclaw University of Economics and National Taras Shevchenko University of Kyiv. The purpose of the conference is to attract scholars from various countries to share their views, present and evaluate economic and business prospects. All accepted articles will be published in Conference proceedings, the authors of the best articles will be offered to publish their articles in regional scientific journal *Economics*.

### Conference Topics

- Contemporary Challenges of Economic Thought and Methodology
- Globalization and Economic Development Issues
- Social and Economic Policies for Development and Sustainability
- Contemporary Accounting and Auditing
- Monetary Policy and Public Finance
- Private Finance and Banking
- Business Competitiveness and its Determinants
- Transformations in Management and Marketing
- Transforming Knowledge into Development: Economic and Business Education

Note: The Conference topics will be divided into the conference sections once the abstracts are collected.
