

Special English Course for Foreigners

You would like to study at our University, but you are not advanced in English?

Now it is not a problem – we offer an intensive English course for foreigners!

You will study English in a group of international students!

It is a great opportunity for you to learn English and get to know Wrocław and our University.

After the course you can apply for one of our programmes in English and be our student.

International Co-operation Office offers intensive English courses for foreign students and candidates for our study and everyone who wants to improve their English skills. You will have a wonderful chance to learn English during real lectures about economy, and take part in interesting events at our University.
