

McKinsey Knowledge Internship Program

Your profile

- 4th/5th year Students from all faculties with distinctive academic performance
- Fluent in both written and spoken English
- Good analytical and problem solving skills
- Drive and passion to deliver challenging projects
- Energetic, cooperative and pleasant personality

Responsibilities

Polish Knowledge Center Internship Program is a good opportunity which will give you a preview into the life of an Analyst. Specifically you will play an important role on McKinsey projects and will allow you to learn and gain experience by:

- Developing and codifying knowledge proactively on new, emerging topics that are relevant to McKinsey
- Conducting end to end research in response to specific research questions (sourcing information from internal as well as secondary data sources, analyze and synthesize this information, and create well organized, concise end products in McKinsey format)

What we will offer

- Opportunity for high performing Interns to get a permanent job offer with McKinsey
- Attractive compensation for the internship period (internships will be for 3-9 months with a minimum commitment of 20 hours per week)
- Exposure to challenging and global projects
- Opportunity to work in a multi-cultural and collaborative environment
- Professional and personal development through mentoring and coaching sessions with senior colleagues
